

## NEWS FLASH.....

**“We were asked for more smaller units, so we made some!”**

# houseit

**your key to secure storage**

Responding to the demands of our customers,

**“we were asked for more smaller units, so we made some!”** Following this demand and recognising the need for these smaller units and the increased flexibility it gives our customers, we have this month converted some of our larger units and created more smaller units giving us additional units in the following sizes: 16 sq ft, 20 sq ft, 25 sq ft, 30 sq ft & 35 sq ft.

**All these units are now available for booking today, with prices starting from just over £6 per week!**

We have a large range of individual units available to give our customers flexibility and choice to suit all their needs. We provide a professional and friendly service and are always happy to show potential customers around, so they can visualise the size of unit required, and see for themselves the high standards of our clean and secure self-storage facility.
